

SMARtX

Advisory Solutions

Advanced UMA Flexibility

Support for rep-directed, manager-traded, model-traded, tax transition, protected, and cash sleeves—all in one account.

Enterprise Grade Rebalancing

Rebalance your entire book in seconds across accounts, sleeves, and portfolios—with tax-aware forecasting built in.

Robust Manager Marketplace

Access 1,500+ strategies from 325+ managers—fully integrated and ready to deploy.

API-first & Modular Web Components

Leverage SMARtX's UI or integrate directly into your existing platform.

Custodian Neutral

Aggregate accounts from multiple custodians into a single, unified trading & management experience.
